

# Harcourts Kingsberry

## 33 Daytona Drive KIRWAN QLD

This home is so close to the shopping centre you could walk there. It's one of the best kept homes I've been in for some time. With high ceilings and two separate living areas it bigger than it looks. This home has a great feel to it and is a very well laid out plan. All the windows have vertical drapes. If you don't want to spend you weekends maintaining the yard, then this one is for you.
