This double storey 3 bedroom + study + lockable store room home, promotes a great QLD lifestyle. It has recently had the bathroom and toilet renovated, resulting in a new fresh look. The kitchen is stylish and functional with electric cooking and has a built in pantry for plenty of room.

There is a huge lockable storage room under the house with a big lock up garage/rumpus room/laundry area. Polished floor boards throughout upstairs and also boasts fans and air conditioners throughout for ultimate comfort from the Queensland heat. It is only a 5 minute walk from local schools, Stocklands, public transport, main roads, restaurants and cafes. There is a fully fenced established yard and gardens with plenty of room for the kids and pets to run around.
