## 3 Hillock Crescent BUSHLAND BEACH QLD

4 2 2

This home really has style from the moment you walk in the gate. A large deck greets you inside the gate and it just keeps getting better from there. An ex-display home it was built to impress. With raking ceilings throughout and a fantastic kitchen it makes for comfortable living. The main bedroom is very large and along with the ensuite and walk-in robe you have lots of space. The other three bedrooms all have built-in robes and split- systems. The laundry and storeroom are separate to the house and a separate media room completes the home.
