PRICE REDUCED!!!

The owners of this property have done an amazing job inside. Everything has been addressed from the kitchen to the bathroom, window coverings, floors and more. Just move in and enjoy. With 3 bedrooms, 1 bathroom, separate laundry and a second lounge. You have rear access with a carport on the side. A large veranda at the rear and a lawn locker complete the back yard. This would have to be one of the best presented homes I've been in for a while. Along with that it's in a great location.

Price : \$ 260,000
