12 Isley Street NORTH WARD QLD

3 1

It is very rare that an opportunity like this one comes onto the market. Located on a corner allotment, in a tightly held street across from Jezzine Barracks and a stone's throw to the Strand, this tidy brick home awaits it's new owners.

The open plan design of the living and dining area flows seamlessly from the well-appointed kitchen which boasts plenty of bench and cupboard space. The practical floor plan of this spacious three-bedroom home is sure to surprise you. Each of the bedrooms are oversized and have built-in robes and split system air-conditioning. The enclosed carport with single toilet is a great room for the kids to play or for storage. The home is perfectly functional as is, but there is still plenty of opportunity to put your own stamp on it.

• Across the road from manicured parks and gardens
