Great home, set on the side of the hill. This property is very impressive and not like a normal rental property. The house is built on 3 levels, drive into the double garage, walk through to the tiled hallway that leads to the polished timber stairs. Laundry, second shower and toilet located on this level also. The lounge, dining and kitchen are all tiled with timber entry verandah and back deck. Cool breezes flow through the fly screened windows. Another set of polished timber stairs take you up to the 4 bedrooms. All airconditioned. The main is huge with views to the hills at the back. All bedrooms have built in robes and fans. The 2 front bedrooms have access to another balcony, with views across the tree tops towards the City and Magnetic Island. The yards is large and fenced. Pets upon Landlord's approval.
