**\*\*BOOK AN INSPECTION TIME ONLINE - SEE DETAILS BELOW\*\***

Such a perfect setup doesn't come along very often. Sitting opposite a park, walking distance to shops and schools, and only moments from Stockland's, Domain Central, and heaps more, this is so close to everything, you are home before you know it. In a quiet court in a popular community, this home has a lot of appeal with room for the whole family, the boat, toys, and a pet or two.

A fully renovated downstairs with two bedrooms, plus a storage area, its own bathroom, and a monstrous open living area.

Upstairs you will find the main bathroom, the Kitchen, and another three bedrooms.

From the living area, a set of double doors leads through to the large veranda wraps nearly halfway around the house
