Our subject home offers a brilliant opportunity to purchase a wonderfully renovated hardwood highset home on a landscaped generous block. The renovation has used a colour palate which is refreshing yet calming and instantaneously welcoming.

The new kitchen is white and bright with Melamine benches and plenty of storage while the bathroom is as new and as tasteful. This home has a warmth that is distinctive and sets it apart from the norm.

This is worth serious consideration ... It is a home full of practicality, value, additional extras and resounding soul.
