

Harcourts Kingsberry

56 Corcoran Street CURRAJONG QLD

2 1 2

A lick of paint additional to some spit and polish will buff this home into one of the most solid and true market entry level homes in the current market. Blessed with a touch of the seventies, leery floor coverings, vintage kitchen and obligatory cement swans a transformation or minor modifications will enhance this post war cottage.

Ideal for those looking to invest in a pleasant street central to major employment, shops and education. Blessed with an 809sqm yard and a great block 7mx7m shed renovators will have the perfect start.

This as a pearler, if you have waited because you thought you couldn't afford to buy, hurry as this liveable, functional and low market entry.
