Harcourts Kingsberry

37 Purves Street MYSTERTON QLD

Bespoke of the post war era this much loved and meticulously maintained family home provides an opportunity to reside parkside in Mysterton on a stunning 809sqm block. Indicative of an era where family and friends were paramount the downstairs rumpus made room for rogue indoor cricket games and table tennis.

Her original bones are intact with a seventies revival; patterned carpet, laminate kitchen and bathroom, however a new roof, concrete stumps and hardwood flooring will give our new buyer confidence in updating.

This is a special home with old fashioned core values...!!!

Features:

- Located within sought after Mysterton
- No rear neighbours with direct access to parklands
