

Harcourts Kingsberry

22 William Street WEST END QLD

4 2 2

As far as "Street Cred" this is considered almost royalty in relation to West End locale.

First time offered to market in 16 years this low maintenance block and render 1980s home is quite the catch. Perfect for the growing family it has served our current owners well from tot to teen. The "L" shape design centres around the pool and entertaining areas, with the large timber kitchen producing mass meals for family and friends.

It is no doubt the bush and Castle Hill cul de sac setting that sets this home apart for tranquil living. This is an amazing opportunity to enter this locale with plenty of scope to design the perfect life. This is no commoner!!!
