SECURE, COOL, SAFE AND PET FRIENDLY

This beautiful ground level apartment is shaded, quiet and breezy. The complex is fabulously secure with electronic entry and lockable remote garage. With only six in the complex (four owner occupied) it is the real community deal.

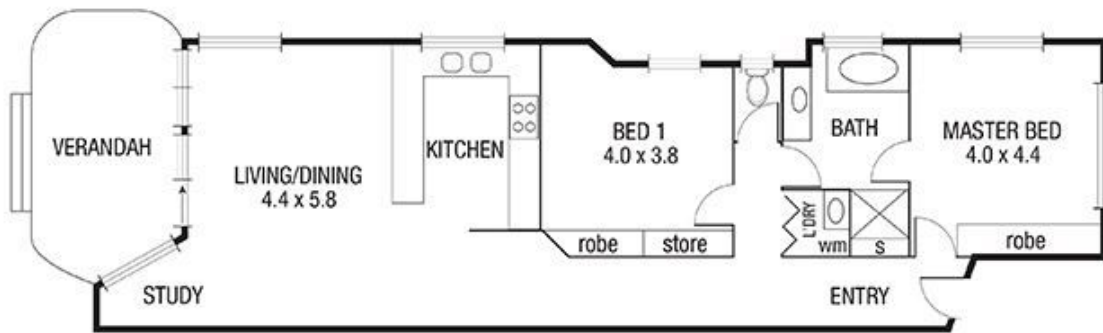

The unit itself is spacious with an oversized patio, lounge and wonderful kitchen. Both bedrooms are expansive and have copious storage.

This unit is perfect for those who love beach living; being only two streets back and one minute to shopping and cafes... It will be the COOLEST of lifestyles. The current owners have loved their tenure, but a transfer means that we are auctioning to move them and this wonderful unit. Be very, very quick...
