9 Stuart Street NORTH WARD QLD

2 1 2

An incredible opportunity exists to buy into this sought after inner-City position.

This character abundant low set home deviates from the traditional post war cottage with its use of natural timbers and toning, however a paint would easily transition her to the white-on-white we all desire.

Her location on a flat and beautifully fenced 506sqm is superb and lends to creative landscaping or the current low maintenance option.

Her classical features are well maintained and she is incredibly robust. Her open plan layout is light-filled and opens to a large front veranda that leads to the front yard and Northerly aspect ensuring breezy entertaining.

Price : \$ 500,000
