28 Greenslade Street WEST END QLD

4 2 2

This elegant and pristine character filled home has been cherished for almost thirty years by the one family and has been renovated to perfection with sensitivity and reverence to its original build. Wrap-around verandas are just the beginning of the yesteryear journey, with pine timber flooring, French doors and stunning fretwork. The central hallway beckons to a wonderful built-in dining area with modernist twist that accommodates the largest of family get-togethers. Located on a 784sm tree-scaped block on the foothills of Castle Hill with no rear neighbours, back access, and covered entertaining with pool, you will be forgiven for forgetting you are in the City. With the wonderful addition of solar panels and 3000L rainwater tank, this eco-friendly City stunner will impress.
