

Harcourts Kingsberry

13 Fantome Street ROWES BAY QLD

5 3 2

Our owners have taken this classic 1950's home and over time given it a complete transformation under the architectural guidance of Stephen de Jersey, resulting in a home which delivers the best of modern family living while remaining true to its architectural origins, beach locale and tropical surrounds.

Retaining the original timber detailing gives the home real warmth and character, while contemporizing in crucial service areas of kitchen and bathrooms ensures everyday ease of living. Design focus has seen the creation of a resort like environ, a sanctum for friends and family. Professional landscaping across the 809m2 private block has incorporated sunken firepit with conversation circle, authentic clay pizza oven, pool and sizeable workshop shed.
