This character abundant lowset Miner's Cottage with extension will pull on your heart strings. Warm enough to call home yet exotic enough to be a private retreat, this home will captivate you.

The living area opens seamlessly onto the front enclosed verandah where a kaleidoscope of colour dances through casement windows. The large Country kitchen is the centre of the home and certainly will provide a conversation point as dining is inclusive.

The 1012sqm block is shaded with large trees and tropical plantings, with the original shed still standing proud.

This home will delight, there is still minor finishes needed but what an opportunity to live hillside Belgian Gardens amidst quality homes, school and walking tracks.
