4 Sauter Street HEATLEY QLD

3 1 2

Four Sauter Street must be inspected to be fully appreciated! In a lovely street, privately screened from the road and neighbours, professionally painted throughout, large kitchen, fully air-conditioned, sparkling in ground pool and shed; this home is perfect for the starter, down-sizer, young family or investor.

Each of the three bedrooms are generous in size and feature built in robes and split system air-conditioning. The bathroom has a modern colour scheme and is neat and tidy, with a shower over bath and separate toilet.

There is plenty of living space for the whole family as well as an additional tiled multipurpose space which would make a great gym, kid's play area or additional storage area. The kitchen is the hub of the home, with plenty of bench and cupboard space, new electric oven and cooktop.
