

Harcourts Kingsberry

47 Keessing Road DOUGLAS QLD

3 2 1

This solid home is in a sought-after location just metres from the river, with views to Mount Stuart.

It would make an ideal family home, or great investment with multitudes of uni students looking to live nearby, being just 2 minutes to James Cook University and Townsville Hospital, and less than 5 minutes to Stockland shopping centre or Lavarack Barracks.

Out your front door you have kilometres of bike and walking tracks, snailing their way around the picturesque freshwater Ross River.

An open plan design means the kitchen flows seamlessly out to the dining and living areas, keeping the chef involved in the family conversations.
