

Harcourts Kingsberry

17 Kwila Crescent DOUGLAS QLD

4 2 2

This is not your standard four bedroom home. From the moment you walk in the door the 2.7m high ceilings give you the feeling of space. The kitchen itself is a work of art with solid timber doors and bench tops, a theme which has been carried throughout the home with the bathroom vanities and laundry tub. In the kitchen there are many features such as gas cook top, walk-in pantry, appliance cupboard, glass door display cupboard with lighting, dishwasher and more. The main bedroom has a walk through robe and ensuite with sliding door access to the back deck which wraps around the rear of the home. The patio is enclosed with security screens and remote control roller shutters for privacy when needed. Add to this a heated spa, solar system, fern house, side access for boat, trailer or van. This home has everything you need. Make sure you put this home on your list.
