If you love horses then you will love this property. Attached to the stables is a 3 bay shed ideal for all sorts of storage. An irrigation system fed by the bore provides a plentiful supply of water to the paddocks.

The family-friendly, modern home with a double garage has been freshly painted inside. The bedrooms are large and can easily accommodate double or queen size beds. The main bedroom has its own ensuite and walk-in wardrobe. A real feature of this home is the way the open plan living area incorporates the kitchen and the front and back entertaining areas.
