

Harcourts Kingsberry

31 Honeyeater Circuit DOUGLAS QLD

This home was built in 2002 and has been kept in good condition. As you walk up to the home you have a porch at the entry. A four bedroom house and the main has an ensuite. The kitchen is always the heart of the home and this one is definitely the case. It's well appointed with modern appliances and good size pantry. A really good size living/dining area gives you plenty of room for the family. Out the back there's ample space for entertaining guests with the extended patio. All and all a well designed home that would make a great investment.
