## 3 Tennessee Way Kelso QLD

Set on a 2742sqm allotment this large 3-bedroom home offers everything for the growing family.

The hatchet block is very private and the natural watercourse beside the block means no neighbours to one side.

As you enter you will appreciate the large open plan design and high ceilings giving a sense of light and space and allowing cool breezes to easily flow.

The kitchen offers lots of bench and cupboard space. The quality appliances and island bench will be the envy of the family chef. An easy flow from the kitchen to the airconditioned freshly painted dining and lounge area allow the chef to be part of the conversations.
