Like something out of a fairy tale, this beautiful four-bedroom home exudes charm, character and uniqueness. Surrounded by meticulously kept gardens, this tranquil home will leave you feeling completely in bliss as if you live in your very own botanical garden.

Having recently undergone renovations, the ground floor has been freshly painted, new tiles have been laid throughout and both the kitchen and the bathroom have been completely redone.

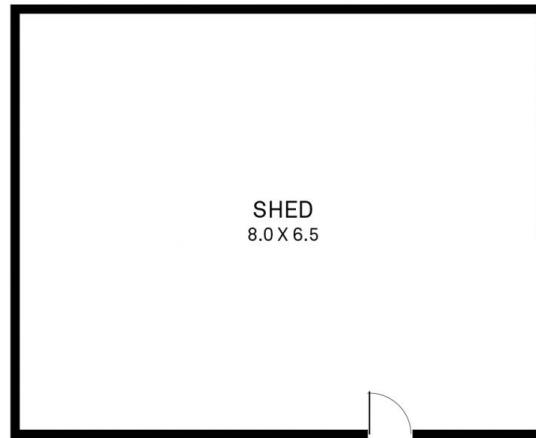

The kitchen has been well thought-out with ample bench space, storage and modern appliances fitted, the family chef will absolutely love cooking up a storm! A bonus little benefit of the kitchen is that the island bench is portable, allowing the option of making more space available in the kitchen if needed.
