With a little bit of love this amazing three bedroom home can be transformed into a wonderful first home or ideal investment.

The unique design of the property creates the opportunity to create dual living that provides privacy and allows each member of the family to have their own space.

Two dwellings are separated by a covered courtyard, the ideal place for the family to come together and enjoy BBQs or family gatherings.

The kitchen, dining, lounge and the master bedroom are located in one of the dwellings. The master bedroom has a walk-in robe and a Roman bath.

The kitchen has plenty of bench and cupboard space with an open plan design allowing the chef to be part of the conversations.

The large lounge features timber balustrades and exposed timber beams.
